

## Instructions and rules

1. Before first visit of the Soča Fun Park each participant must read this instructions and rules. Adults must present this instructions and rules to visitors younger than 15 years of age and sign it for them (the name, surname and contact number of the adult must be written on it).
2. Visitors are aware to accept some risks related with climbing activities when using Soča Fun Park and are fully responsible for their own safety. Visitor with signature confirms that she/he read the instructions and rules and that use of Adventure park is on her/his on responsibility.
3. Soča Fun Park is appropriate for visitors older than 5 years, who do not have any mental problems with height and any other health problems, which may be risky or dangerous. Children under 15 years are allowed to visit Soča Fun Park only accompanied with adult or professional personnel. For use of specific courses read some additional requirements:

<b>Course name</b>	<b>Required age and height</b>
Orange	All participants from 5 yrs. until 9 yrs. (min. height with stretch hands 130 cm)
Blue	All participants from 10 yrs. or 160 cm
Green	All participants from 10 yrs. or 160 cm
Red	All participants from 10 yrs. or 160 cm
Flying fox	All participants from 10 yrs. or min. 25 kg

4. Tiny objects, like: mobile phone, cameras, jewellery, sun glasses, etc. are not allowed during the use in Soča Fun Park, because they can be dangerous for you or other visitors.
5. Before use each visitor must take a short course (theoretical and practical) on the ground for the proper and safe use of safety equipment especially how to clip on to the steel cables, which ensure safety in the park. All safety precautions are obligatory and must be considered during the use. In case of violation visitor can be requested to leave Soča Fun Park. In case of violation company ProAktiv Sport d.o.o does not take any responsibility and/or compensation claims.
6. Safety gear (safety harness and carabiners), which gets every visitor, must not be taken off during the visit of the Soča Fun Park. Safety gear must be used as instructed during the safety course. All parts of safety gear must be undamaged and returned immediately after use. Safety carabiners must be at all times connected to the safety steel cable on your harness. It is very important that during the climbing throughout the course at displacement at least one carabiner must be connected to the safety steel cable. Both safety carabiners must not be disconnected from the safety steel cable at any time! If in doubt, please call the closest instructor for further information.
7. ProAktiv Sport d.o.o is responsible in context by law for personal damage. For material damage and property is responsible only in case of instructor's or owner's carelessness.
8. It is allowed that only one person at the time is using single climbing challenge. On the platforms connected to the trees only two persons are allowed at the same time. Use of the Adventure park is allowed only by considering the instructions and rules from paragraph 3.
9. Organisator can request visitor to leave Soča Fun Park in case of violation of this rules. Organisator can stop the use in case of safety precautions (fire, strong wind, thunderstorm, etc.). In this case entry fee is not refunded. Entry fee is not refunded also in case of voluntary exit of the Adventure park.
10. Use of Soča Fun Park is not allowed when taking alcoholic drinks and/or drugs.
11. Smoking is not allowed during the use of safety equipment and/or during climbing.
12. With signature visitors allow use of personal data for company's internal business.
